COUNTRY MUSIC COMING TO RED BARN THEATRE

Jackson's Point –

A tribute to the great legends of country music will take over The Red Barn Theatre with the musical revue ***Cowboys and Outlaws*** conceived by the creators of ***Heaven's Little Honky Tonk***, Chris McHarge and Colin Stewart.

Relive the great moments of country music from the perspective of the cowboys and outlaws of the America West. This new musical revue mixes classic and new country: the early years of Glen Campbell, Gene Autry and Ernest Tubb give way to industry-spurning rebels Waylon Jennings, Johnny Cash, Willie Nelson and Kenny Rogers.

***Cowboys and Outlaws* features**

Debbie Bayshaw – Vocals & Guitar – began singing and writing country music at a very young age, she has performed coast to coast and has been the winner of Canadian Open Country Singing, Contest.

Marie Bottrell - Vocals - who by age 16 was touring across Canada with The Grand Ole Opry, has received several Juno nominations and was twice named the Canadian Country Music Award's Female Vocalist of the Year.

Tim Tyler – Vocals & Guitar – always enjoyed singing and the love of story telling, this is his 2nd year performing in *Cowboys & Outlaws*, a show that truly highlights his ability to tell a story through song.

Also featured are:

John Kenny - Guitar/Pedal Steel

Ted Peacock - Drums

Colin Stewart - String Bass
